1 person is cooking this [Count me in](#)

Homemade granola bars are perfect for breakfast or for a quick, high-energy snack.

Ingredients

- 1 cup gluten-free [oats](#)
- 1 cup puffed millet
- ½ cup pumpkin seeds
- ½ cup [sunflower seeds](#)
- ½ cup coconut chips
- 1 tbsp flax seeds
- ¼ cup goji berries
- ¼ cup cranberries
- ¼ cup raw buckwheat groats
- 1 tbsp chia seeds
- 1 tsp cinnamon
- ¼ tsp vanilla powder
- ¼ cup coconut oil
- ½ cup rice malt syrup
- ¼ tsp bicarb soda activated in ½ tsp lemon juice
- 1 tbsp peanut butter

Chocolate

Granola bars dipped in chocolate

- 1/3 cup melted coconut oil
- 1/4 cup [cacao](#)
- 3 tbsp pure maple syrup

Method

Preheat the oven to 170°C. Mix all dry ingredients in a large mixing bowl until well combined. In a saucepan on low heat, add the wet ingredients and stir until a slight foam is formed. Add the wet to the dry and combine well.

Transfer to a lined baking tray and bake for 10 minutes, until slightly golden.

For the chocolate, melt all ingredients together in a pot over low heat. To achieve a clean chocolate end, tip your bars in the chocolate after they have been in the fridge or freezer. This way the chocolate will set automatically on the cold bars.
