Cut the eggplants into thin slices, season with salt and roast the slices for a few seconds in a hot pan. Remove, sprinkle with vinegar and let them cool down to room temperature.

Chop the chilli very finely. Wash, dry and chop coriander and spring onions. Add all ingredients to the quinoa and toss through and serve.

**Note:** The salad lasts well for two to three days in the fridge. Best served with all kinds of shellfish, [seafood](#), lamb, chicken, tofu or grilled tempeh.
